

Day-1 (1-5pm): BOOS Working Groups, AMRIT workshop

13 -15 BOOS WG presentations (~15 min per WG)

Coastal WG, DA WG, ML/AI WG, Water level WG, Plastics WG, Argo and glider WG, Near-real-time CTD WG

15- 15:20 Coffee

15:20-17:20 AMRIT workshop lead by EuroGOOS

Day-2 (9am-5pm): Scientific Workshop

9:00 - 10:30 Session 1

9:00 - 9:15 EuroGOOS updates: Activities, Projects, UN Ocean Decade (Dina Eparkhina)

9:15 - 9:30 Overview of EuroGOOS SAWG topics (Manfred Zeller)

9:30 - 9:45 Discussion (EuroGOOS - BOOS)

9:45 - 10:00 New BAL MFC contract for 2025-2028 (Vibeke Huess)

10:00 - 10:15 presentation of the CEMS (Climate and Environmental Modelling System) for the Baltic Sea (Maciej Muzyka)

10:15 - 10:30 Baltic Sea Chart Datum 2000 (Witold Stasiak)

10:30 -11:00 Coffee break

11:00 - 12:30 Session 2

11:00 - 11:15 Attribution of storm surge forecast errors to weather forcing and ocean models (Jun She)

11:15 - 11:30 Observed met-ocean features during storm Barbet (Jun She)

11:30 - 11:45 Assessment of erosion in Danish coast in storm Babet (Jens Murawski)

11:45 - 12:00 Impacts of waves on sea level forecasting (Laura Tuomi)

12:00 - 12:15 Improving sea level analysis and forecast by using data assimilation (Vasily Korabel)

12:15 - 12:30 Compound flooding events (Jian Su)

12:30 - 13:30 Lunch

13:30 -15 Session 3

13:30 - 13:45 Argo floats at the southern Baltic Sea (Waldemar Walczowski)

13:45 - 14:00 Ocean Observatories and future strategy (Louise Biddle)

14:00 - 14:15 Drift forecasting in the Gulf of Finland (Laura Tuomi)

14:15 - 14:30 Sea level/AI (Anna Przyborska)

14:30 - 14:45 TBD

14:45 - 15:00 TBD

15 -15:30 Coffee break

15:30 - 17:00 BOOS public-private partnership sessions

Presentation by Terence McConnel 15 min + questions 10 min

Short talks by BOOS partners + private sector

- DMI/Vattenfall
- VOTO
- FMI/Aquaculture+piloting

Discussion

Day-3: Business meeting (9am-1pm)

- Member reports
- Discussion on ML/AI Cost Action proposal
- Discussion on science day themes (public -private, EuroGOOS SAWG)
- BOOS web page
 - STG suggest that BOOS web page will be transferred under EuroGOOS
