Airport Transportation

Helsinki Airport (HEL) is situated 20 km north of the city center. Public transportation provides several options between the airport and our meeting venue in Pasila as well as downtown Helsinki. Trains I and P offer a 35-minute journey from the airport to Pasila. Bus 600 operates from the airport to Central Station, with a journey duration of approximately 55 minutes. For more options and details, visit www.hsl.fi/en or download the HSL app from your preferred app store. An ABC ticket costing €4.10 is required for travel between the airport and the city, available on the HSL app or from ticket machines at the airport (e.g., on the Train Station platform).

Taxis are also available, with the journey taking approximately 30 minutes depending on traffic. Prices vary by company, but it is recommended to use reputable companies like Lähitaksi, Taksi Helsinki, or FixuTaxi, with prices ranging from €40 to €50.

We eagerly anticipate your participation and fruitful discussions during the meeting.

Warm regards,
Mirka Laurila-Pant
