

## Invitation letter partner meeting RISE Gothenburg

Dear Baltic Sea e-Nav partners,

With less than two months to go we are delighted to invite you to the next partner meeting which will be hosted by RISE and held in Gothenburg

### **Date: 14-15 April**

Place: The venue will be at Chalmers Nautical Schools premises at Lindholmen, Gothenburg, starting at 09:00 on the 15<sup>th</sup> and we hope to wrap up before 15:00 on the 16<sup>th</sup>. The seating will be auditorium class room style. Representatives from Chalmers will be invited to take part at selected topics in the agenda.

Travel Arrangements: The venue is at Lindholmen Innovation cluster area on the other side of the river Göta Älv. There is a stop for the airport bus at a few minute walking distance, or three stops with the tram service from the train station.

Hotels: We do not have a any specific arrangements, but there are several hotels close by on the Lindholmen side and two on the city centre side right next to the Stenpiren ferry station which has a free shuttle service (6min ride) to Lindholmen. Please see the attached map with suggested hotels circled in purple and the ferry service in yellow. We plan to have a partner diner on Wednesday evening, probably on the downtown side.

Agenda is under preparation by the project management and will be shared shortly.

We kindly ask for an early estimation of attendance for planning purposes; please revert at your earliest convenience with indicative number of participants and if you have any special requests of dietary requirements to [Joakim.lundman@ri.se](mailto:Joakim.lundman@ri.se)

Looking forward to having you all in Gothenburg!

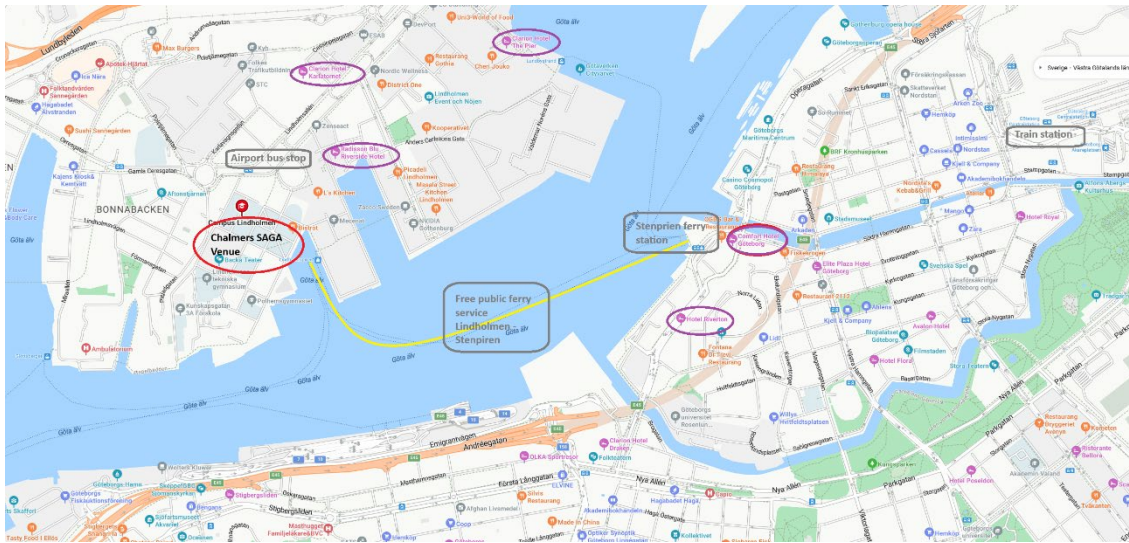

Kind Regards

**RISE Research Institutes of Sweden AB**  
**Maritim - Maritim innovation**

Joakim Lundman
