

Invitation to the BSHC CDWCWG3 Meeting, 24-25 March 2026

Meeting: BSHC Chart Datum, Water level and Currents Working Group 3rd meeting
Location: Riga, Latvia
Host: Maritime Administration of Latvia ([MAL](#))
Start: Tuesday 24th March 2026 09:00
End: Wednesday 25th March 2026 15:00

Dear colleagues,

I hereby invite you to the **3rd meeting of the BSHC Chart Datum, Water level and Currents Working Group (CDWCWG), 24-25 March 2026 in Riga, Latvia**. The meeting is a face-to-face meeting only (at [Islande Hotel](#)) and is hosted by the Maritime Administration of Latvia ([MAL](#)). Thank you for hosting our meeting!

Associated documents ([zip](#)) and links:

[Program](#), [Agenda](#), [Logistics](#), [List of Participants](#), [Website](#), [TORs](#), [Work Programme](#), [RoadMap](#), [CDWCWG2 Minutes](#), [List of Actions](#), [Report to BSHC30](#), [Presentation at BSHC30](#), [Questionnaire 2026](#)

I kindly ask you to also invite experts dealing with water level and currents to our meeting (and the workshop), as we are now coordinating the implementation of the two IHO S-100 Products; S-104 Water Level and S-111 Surface Currents in the Baltic Sea [[BSHC26 Action 20](#)].

See the [List of Actions](#) from our last meeting [[CDWCWG2 Minutes](#)] and report on the progress made. Please also let me know if you are interested in presenting something at the meeting. It will be of particular interest to see presentations on how you are handling [the implementation of S-104 and S-111](#) at the national level and if you have views on how we can address this at the regional level. The work on the two new standards S-104 and S-111 have also been included in the [CDWCWG RoadMap](#).

I also ask the national contacts to fill the Questionnaire on the [implementation status of BSCD2000, S-104 and S-111](#). I need your replies at the latest 13th March 2026.

Please confirm if you will attend the meeting or not to me at the latest 28th February 2026.

I hope to see you in Riga in March!

Baltic Sea e-Nav S-104/S-111 Workshop: On Thursday 26th March 2026, from 09:00 to approx. 14:00, also at the [Islande Hotel](#), there will be an [S-104/S-111 Workshop](#) organized by FMI, as a part of the [Baltic Sea e-Nav project](#). The workshop is hosted by MAL and is organized as a hybrid event. Please confirm your participation at the workshop directly to Anni Jokiniemi (anni.jokiniemi@fmi.fi).

Kind regards Thomas
