Dear all,

Thank you for attending our first meeting 11<sup>th</sup> June 2025.

I hereby invite you to the second meeting. You are welcome to invite any other persons to the group that you think would be appropriate.

An updated version of the [Regional product harmonisation document for S-104 and S-111](#) has been drafted, based on our discussions. **Please read it and provide your comments and feedback, especially considering the product specifications for [S-104](#) and [S-111](#).**
