Dear all

Iceland has, on relative short notice, taken on the task of hosting NSHC TWG 23rd meeting in the first week of February 2020. For that to work Iceland needs collective effort of NSHC MS and the members of the TWG.

The attached pdf is a page from the 22nd NXHC-TWG meeting minutes (ANNEX A: Member List).

Please act swiftly and confirm names of MS representatives or inform otherwise.

Kind regards

Árni
